- ① Start with a 3" square of white paper. Pre-crease one diagonal.

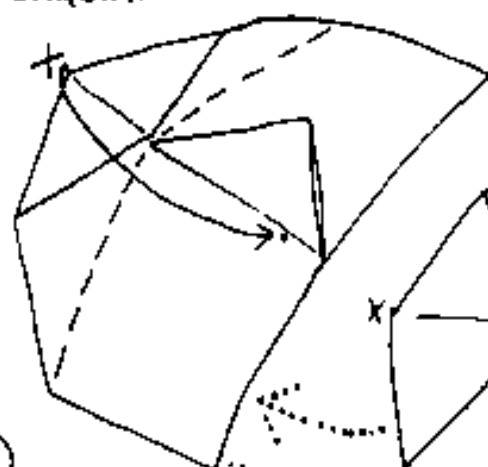

- ② Pre-crease half book folds around diagonal.

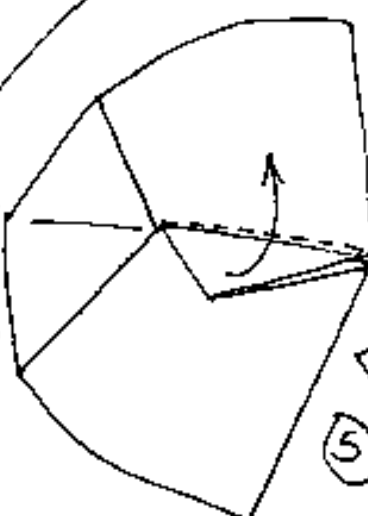

- ③ Fold opposite corners to center.

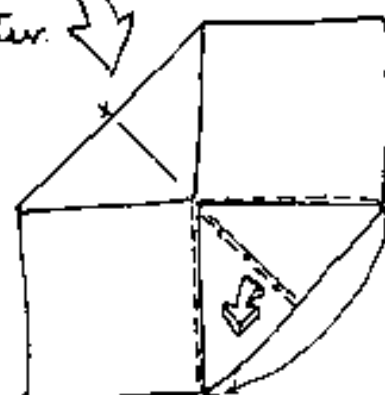

- ④ Pinch up the overlapped flap at lower right, on existing creases. Model becomes concave. (Note X)

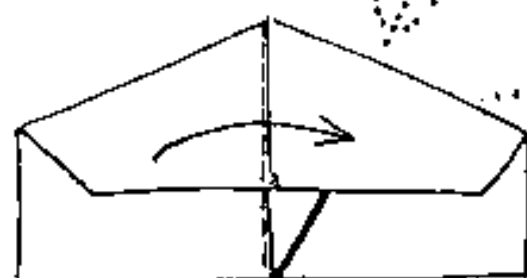

- ⑥ Squash-fold so X lies along raw edge of flattened triangle.

- ⑤ Flatten protruding triangle to one side.

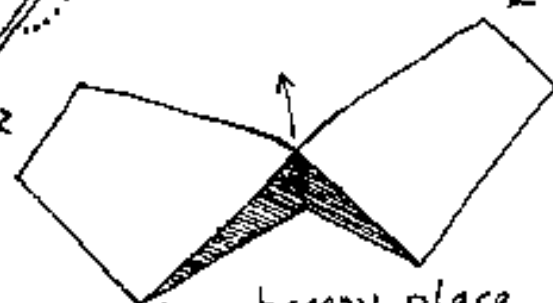

- ⑦ Fold paper in half.

- ⑧ Sharpen creases, then loosen model by pulling lower flaps apart. (Y & Z)

- ⑨ Flip model over.

- ⑩ Thread butterfly from below, up through the center of the VFs. Hang several in a breezy place.
