

# Dachshund

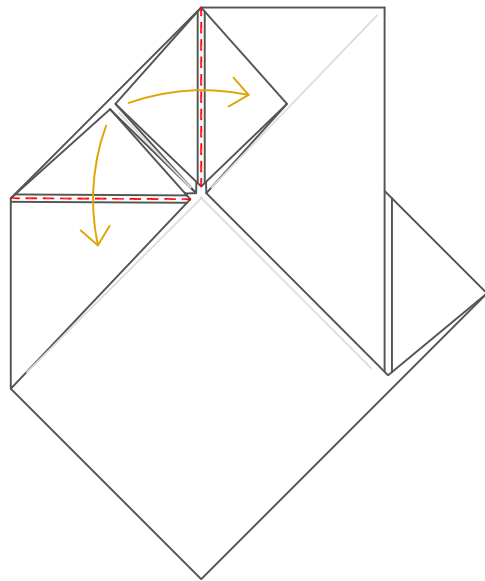

# Dachshund (cont)

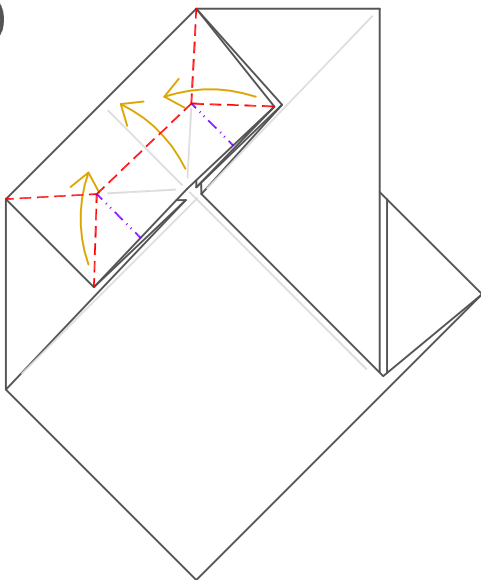

7)

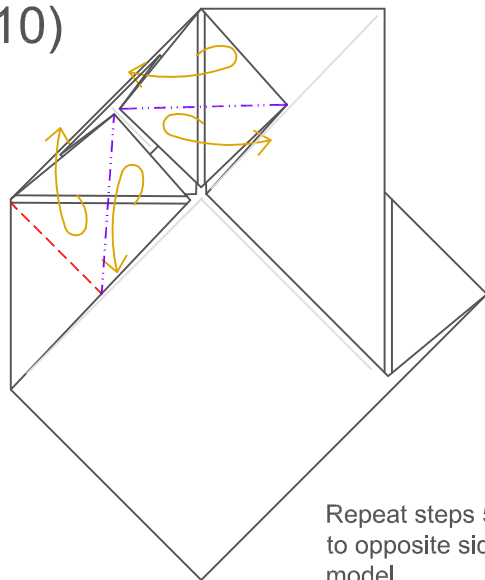

8)

9)

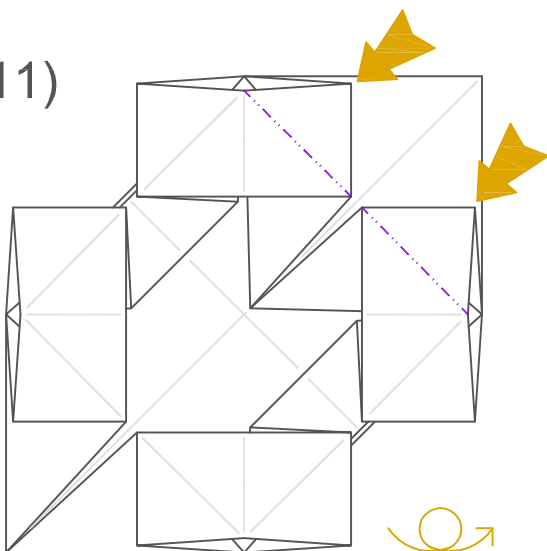

10)

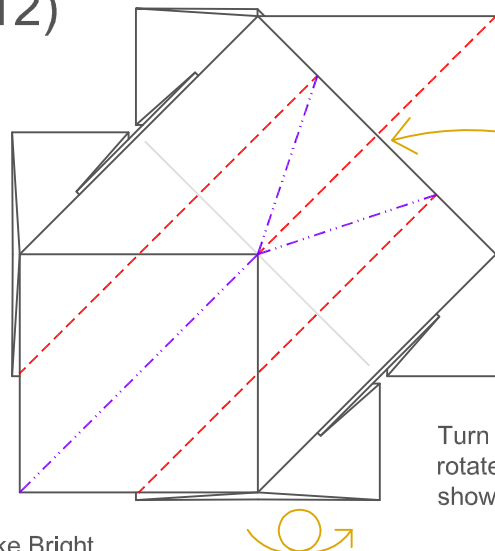

Repeat steps 5 - 10  
to opposite side of  
model

11)

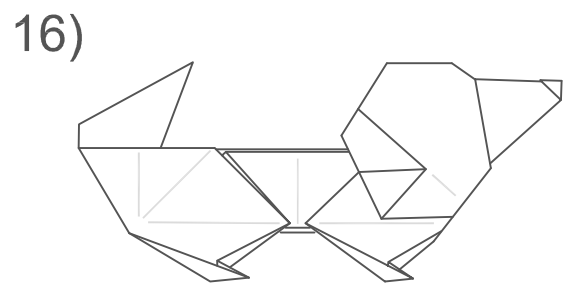

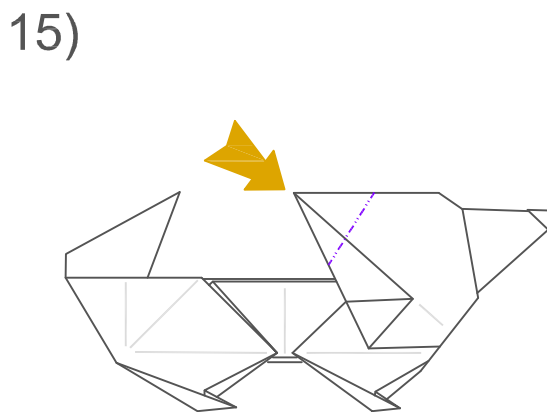

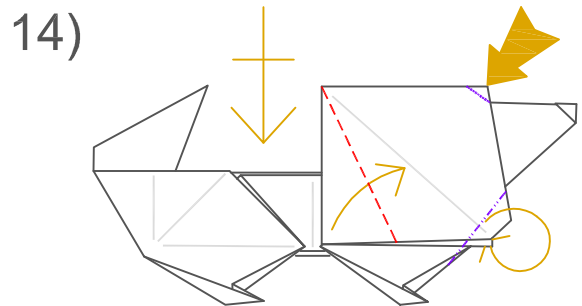

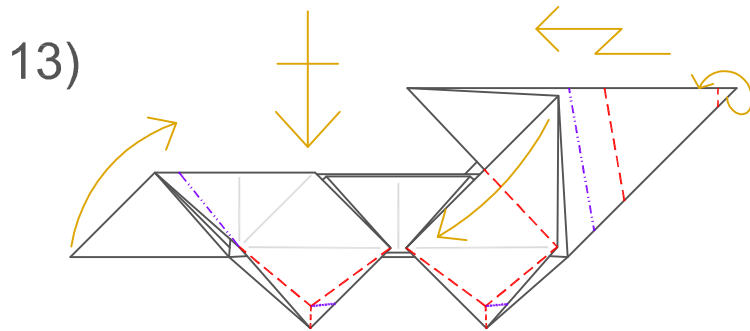

12)

As model is folded in  
half , the valley fold  
will need to be  
coaxed beyond the  
crease shown

Turn model over and  
rotate to position as  
shown in next diagram

# Dachshund (cont)

Voila!
