

# Miss Muffet's Spider

Begin with a 4x1 rectangle (a quarter of a square).  
Crease in half.

2

Lightly pinch 2 small creases.

3

Make 2 mountain creases

4

2 more valley creases, then turn over.

5

Try not to crease the middle section.

6

7

8

Pleat on the creases made in steps 3 and 4.

9

Fold to the middle.

10

11

12

13

Don't fold all the way to the middle.

# Miss Muffet's Spider

14

15

16

Unfold the 2 edges (not the middle).

17

Squash folds.

18

Pleat the legs (not the body). Sink diamond shapes as the model becomes 3 dimensional

19

Double reverse fold to form a set of leg joints.

20

Repeat steps 17 and 18 on the right side.

21

Variation:  
I usually add a further set of shallow double reverse folds to raise the angle of the legs.

22

Double reverse fold the feet.

23

Make soft squash folds for the eyes and curve the body.

Little Miss Muffet, sat on a tuffet,  
Eating her curds and whey,  
Along came a spider, who sat down beside her  
And frightened Miss Muffet away.
