③ a) VF near
small flap
upwards

b) FUF
a rabbit
ear, + R. on rt.

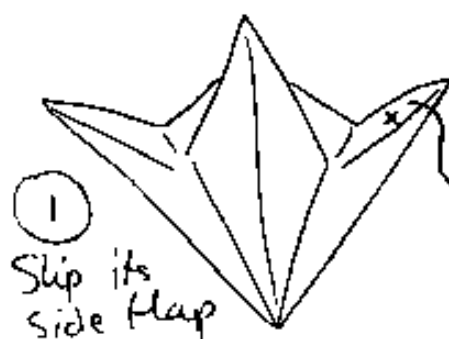

④ M+FUF +
flip. Fold all 5 foil
squares like this.

ASSEMBLY:

The front of each piece has the rabbit ear
creases as mountain folds.

Tilt a foil piece so its peak points down.

① Slip its
side flap
X (incl. rear layer) into
side flap Y of a green piece
+ push it in as far as it
will go. Pinch up their
mountain creases.

② Repeat
all around, alternating
green pieces and foil
pieces until all are
attached.
