

Cat Nap

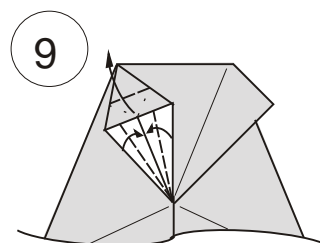

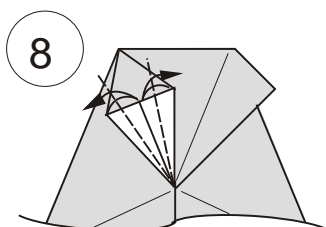

Unfold

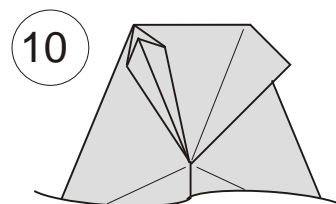

Refold the point down while opening the sides on the creases made in step 4.

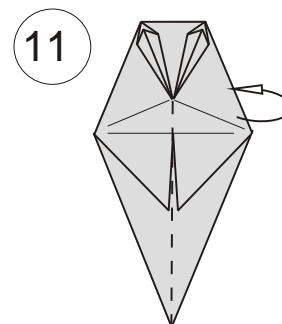

Squash fold

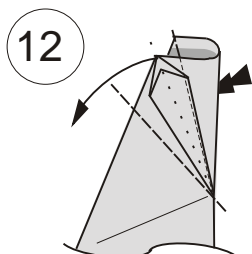

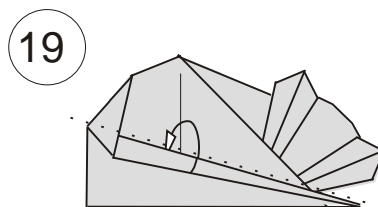

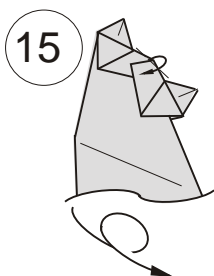

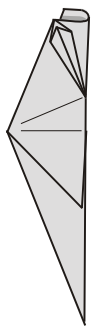

Petal fold

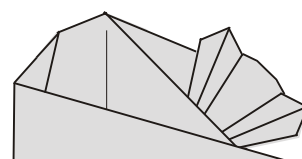

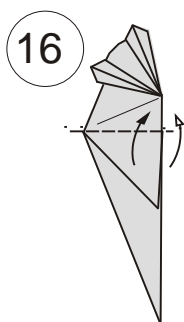

Repeat steps 7-9 on the right side.

Mountain fold in half, but do not crease along the upper face.

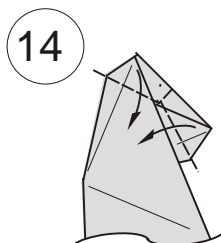

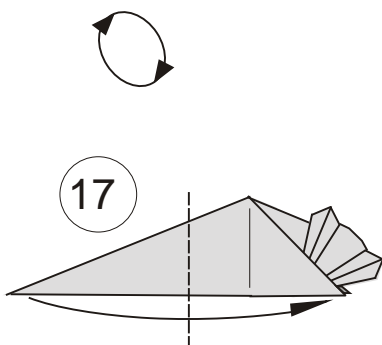

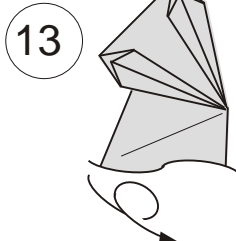

Squash the face to the left.
Use the creases from step 4
as guidelines.
Do not put any new creases
in the face...

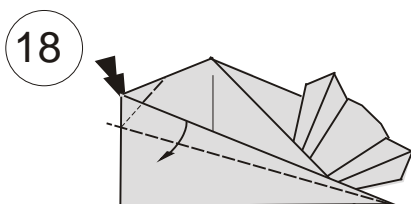

Give it a nice gentle curve,
and then let sleeping cats
lie.

...like so.

Rabbit ear the back of the
head down so that the
ears stand up.

Thin the tail while squashing the
back corner
