Playing the cards

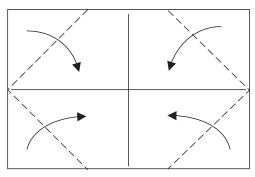

2.

6.

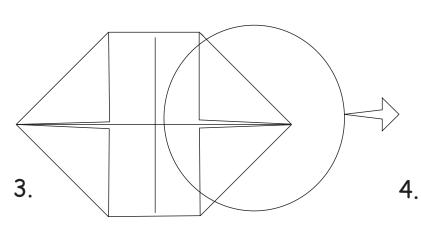

by Eugeny Fridrikh

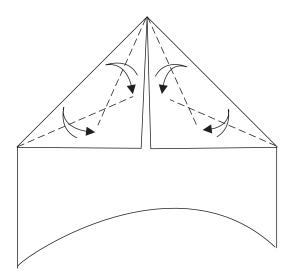

Start with 1:1.5 rectangular sheet of paper, make two half folds

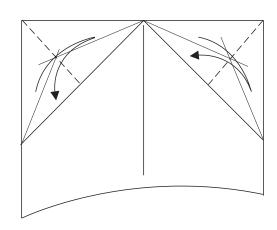

Fold the corners to the middle line made before

See the result and look on the right side

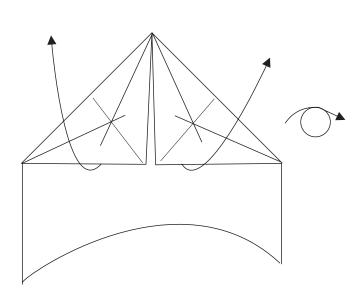

Enlarged view of right side. Precrease the diagonal valleys on the both triangles

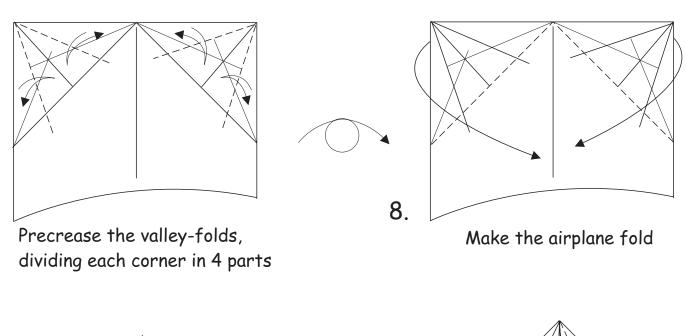

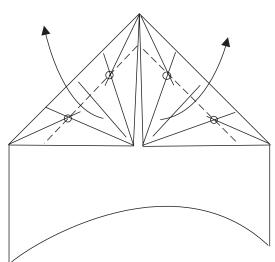

Make two valleys more

5.

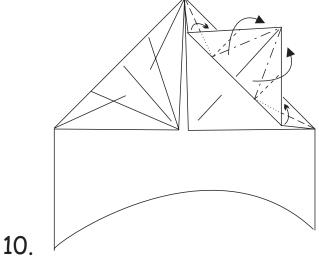

Unfold the corners upwards

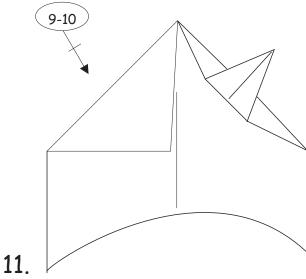

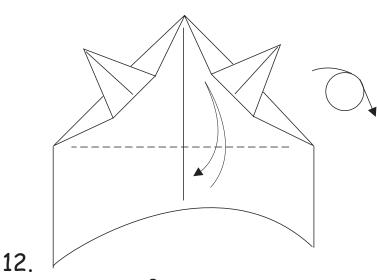

7.

9. Valley-folds until the marked points

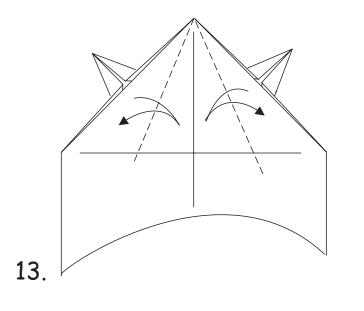

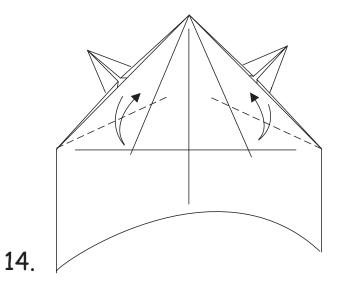

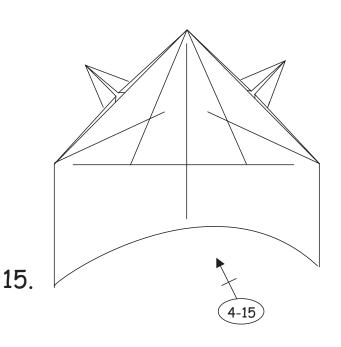

Repeat 9-10 on the left corner

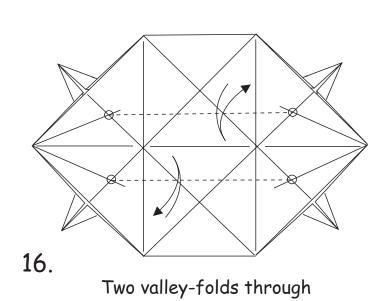

Precrease. Turn the model

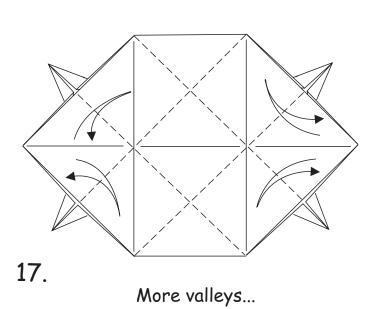

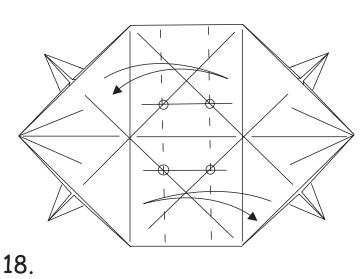

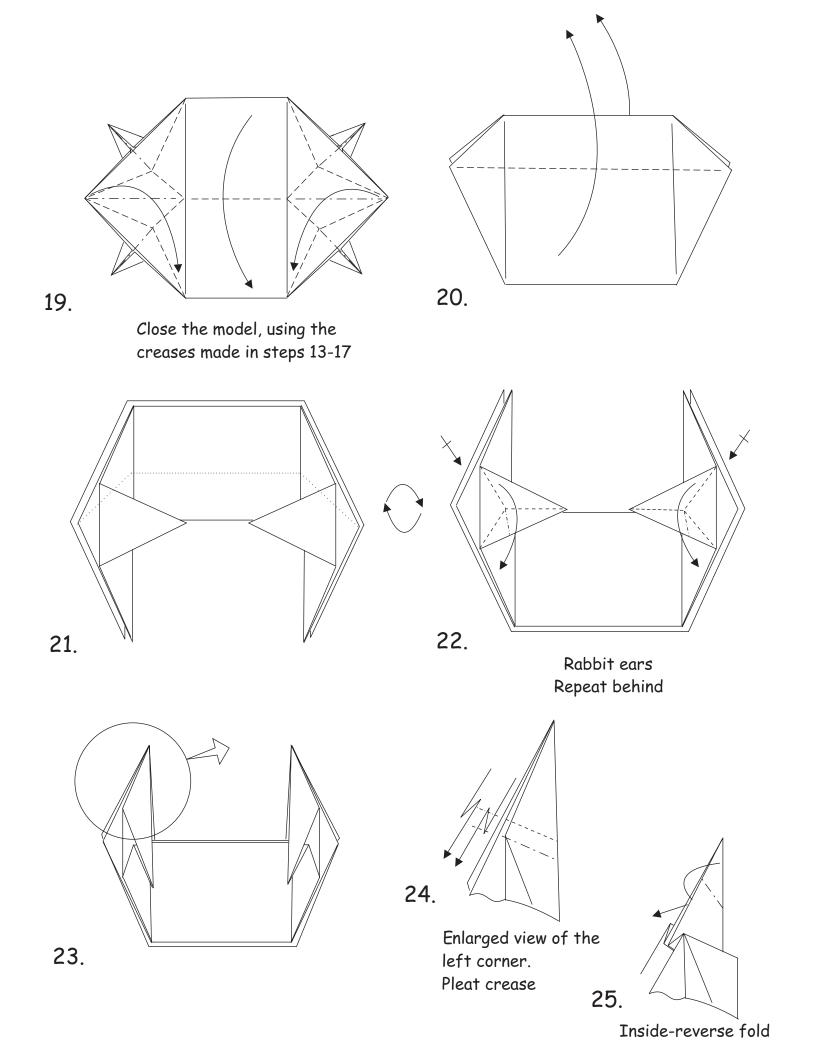

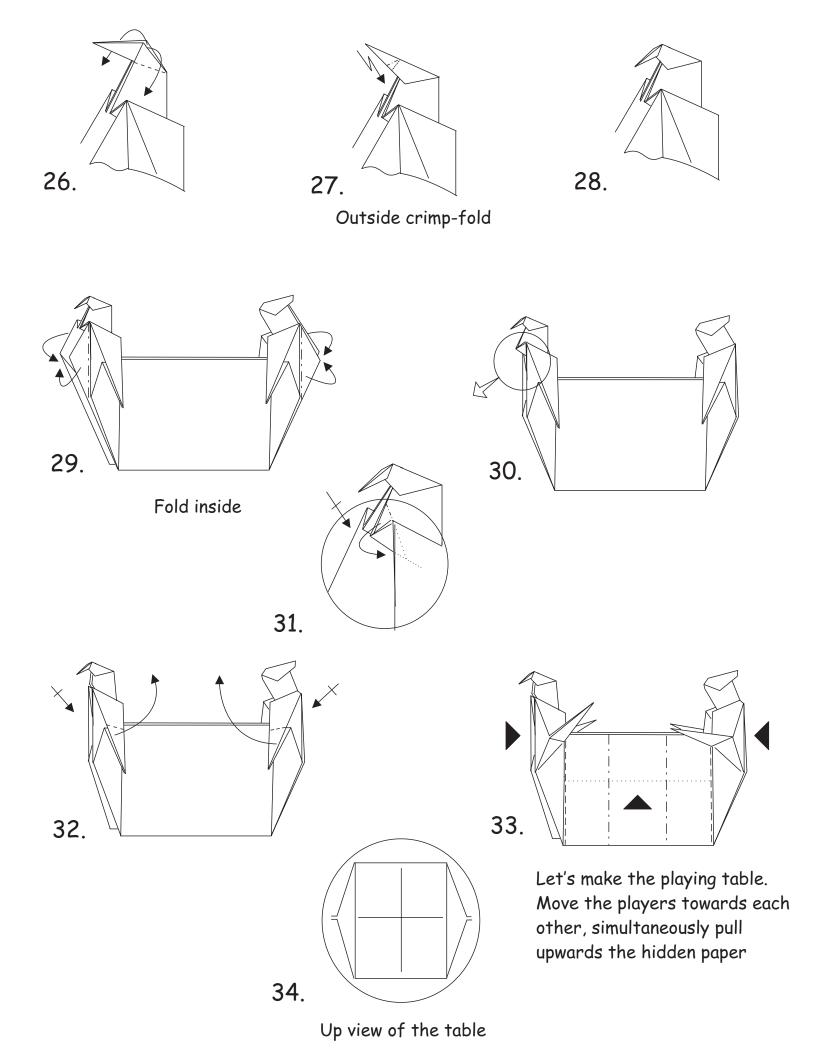

marked points

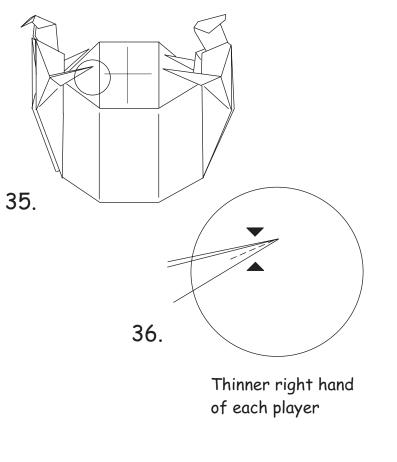

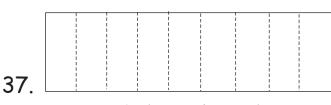

...And more!

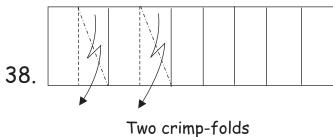

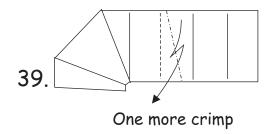

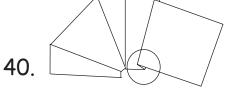

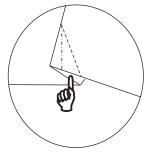

Let's design the cards. Take the short strip for this aim

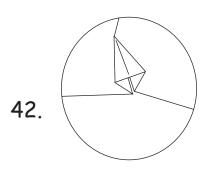

Look on the marked corner

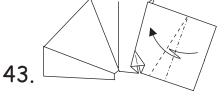

41.

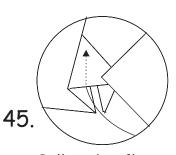

Squash fold...

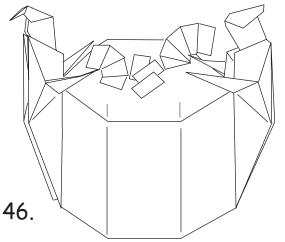

...Like this.

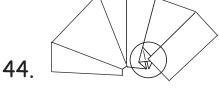

Last crimp-fold

Pull in this flap the right hand of player. Repeat 37-45 once more.

The completed players. Really they are much chance men if playing being standing.

Return to the flap made in step 41
